

# PARTH DIVEKAR

## B.E. COMPUTER SCIENCE AND ENGINEERING 2025.

Phone no:8600704387.

Email: [parthdivekar321@gmail.com](mailto:parthdivekar321@gmail.com)

GitHub-link: <https://github.com/parthdivekar987/Projects>

### PROFILE

Results-oriented Computer Science student graduating in 2025 with a specialization in Full Stack Development. Skilled in Java, Spring Boot, Hibernate, REST APIs, React.js, Node.js, and MySQL, with strong knowledge of software engineering principles, OOP, and SDLC. Proven ability to design, build, test, and deploy scalable applications through internships and projects, including a full-featured eCommerce platform using React and Spring Boot. Familiar with Git, Docker, cloud deployment (AWS), Agile methodologies, and unit testing (JUnit). Eager to contribute technical expertise, problem-solving skills, and a growth mindset to a Software Engineer / Full Stack Developer role."

### TECHNICAL SKILLS

- C
- C++
- Java
- HTML
- CSS
- JavaScript
- Android Application
- DBMS
- Version Control: Git
- Spring Core
- Spring Boot
- React Js

### INTERNSHIP/TRAININGS

- **Java Full Stack Training | Archer Infotech.**  
1/3/2025-10/9/2025.
- **Web Development/Python-Django Framework Intern | Elite Softwares.**  
12/12/2023-5/02/2024.
- **Introduction to Cybersecurity (Course Completion) | Infosys.**  
7/05/2024-25/05/2024.
- **Web Development| InternPe.**  
26/02/2024-24/03/2024.

### EDUCATION

**Dr. D.Y.Patil College Of Engineering And Innovation** **JAN 2021-JUNE 2025**

- BE in Computer Science.
- Aggregate CGPA: **8.24**.

**Indrayani Mahavidyalaya**

**JULY 2019 - MAY 2021**

- HSC      **Percent: 92.5 %**

**Kantilal Shah Vidyalaya**

- SSC      **Percent: 83 %**

## MINOR PROJECTS

- **1. eCommerce Platform (Capstone Project):** Core-Technologies (HTML, CSS, Spring Boot, React JS,OOP, Java, SQL Database ).
- **2. Bookstore Management REST API :**Core-Technologies (Spring Boot, JS,OOP, Java, SQL Database )
- **3. To-Do List Application.**(Core-Technologies (React Js,Front-end Development).
- **4.Library Management System.** (Core-Technologies Used: (Java, Servlet/JSP, MVC, SQL Database).
- **5. Calculator** (Android Application):Core-Technologies Used: Xml, Java.

## CERTIFICATIONS

- 7-days Bootcamp from **Devtown**(developing the Instagram and Hotstar clone web-application).
- Course Completion Certificate  
From **Infosys** (Cybersecurity).
- Web Development Python-Django Framework certification from **Elite Softwares**.
- Full Stack Development at **Archer Infotech**.

## HOBBIES

- To play Football.
- Going for Adventures (Cycling Off-roading).
- Taking part in Traditional cultural Activities.
- Watching Animes.
